-----------------	-------------------

Note by the Secretary:

This meeting was cut short because guest were arriving for the potluck and we started behind schedule, so we only touched on a few topics that we will address further at our next meeting.

Part 1:

The board members discussed and decided on following measures.

- In future events we must change the mindset of the guests from "*expecting to be fed by ATA-IN*" to "*attending these events in order to benefit our community, the ATA-IN*"
 - People should learn to bring their own food and drink.
 - Maybe we could put nametags on the dishes that people bring to help identify who brought what and what we are eating
 - More People need to respond to evite and post what they will bring, so that everyone will know what else to bring.
- Caner has proposed new website ideas, which he will be sending out in an email
- We touched on the issue of Turkish restaurants, how they should be involved with ATA
- We also have decided to start looking for a new board member
